REVIEWED BY: Dave Fackler, Development Services Manager (350-8530)

LEGAL REVIEW BY: Marlene Pontrelli, City Attorney (350-8120)

FISCAL NOTE: Transfer of the property is based on the conversion of a pre-paid 75-year lease to fee title. The value of the property is such that no additional payment is necessary. Once on the property tax roles, this property will have a positive financial impact on the City and schools.

RECOMMENDATION: That the Mayor be authorized to execute the agreements transferring ownership of the property and placing the Chase Bankcard Facility onto the tax roles.

ADDITIONAL INFO: In July of 1991, the City of Tempe entered into a ground lease with Chase Bankcard Services to facilitate the construction of the downtown campus. taff has been working with Chase on a number of different scenarios, however, Chase ultimately decided to exercise the purchase option and place this property onto the property tax roles.

In order to effectuate this transaction, staff has prepared an Agreement to Convey Premises and Terminate the Ground Lease, a Special Warranty Deed, and a Mutual Termination of Ground Lease document. Once executed, these documents will be recorded in Maricopa County and the property will be placed on the property tax roles effective with the recordation.
